

Curriculum Vitae

Name: **Mario Plebani, MD**

Address: via C. Battisti, 251 - 35121 PADOVA

Date of Birth: November 28, 1950

Place of Birth: Italy, Schio (Vicenza)

Education

- 1975, M.D. University of Padova. *summa cum laude*
- Specialization in Laboratory Medicine, School of Medicine, Padova
- Specialization in Gastroenterology, School of Medicine, Padova

State Board Examination

- 1975, Authorized to practice Medicine in Italy

Awards and Honours

- 1990, King Prize for achievement and original research in Clinical Enzymology, International Society of Clinical Enzymology
- 1975, “Lepetit” Award for the best degree thesis in Medicine
- 1989, AIGO Award for best research poster at the Annual Meeting of the AIGO Society of Gastroenterology
- 1989, Farini Award for the best research paper at the Annual Meeting of the Society of Gastroenterology
- 1988, Invited speaker at a seminar on “The pathophysiology and heterogeneity of ulcer disease”, Harvard Medical School, Boston
- 1992, Invited speaker at a Seminar on “Role of pepsinogens in health and disease, Harvard Medical School, Boston
- 1992, Invited speaker at a Seminar on “Pepsinogens in health and disease”, Banting University, Toronto, Canada
- Accreditation of the Laboratory by the Clinical Pathology Accreditation (CPA-UK) in 1995 and Certification ISO 9002 in 1997
- Referee of the Continuing Education Program (ECM) in Healthcare
- Expert of the Consiglio Superiore di Sanità (years 2003-2005)

Postdoctoral Training

- 1989, Research fellowship, Department of Pathology, Chemical Pathology Research Division, Brigham and Women’s Hospital, Harvard Medical School - Boston

Clinical Experience

- 1976, Internship, Department of Laboratory, University-Hospital, Padova
- 1977/1981, Department of Laboratory, University-Hospital, Padova
- 1981/1984, Assistant, Department of Laboratory, Civil Hospital, Verona
- 1984/1985, Deputy Chairman, Department of Laboratory, Civil Hospital, Verona
- 1985/1991, Deputy Chairman, Department of Laboratory, University-Hospital, Padova
- 1991, Chairman, Emergency Section, Department of Laboratory Medicine, University-Hospital, Padova
- 1994, Chairman, Laboratorio Centrale, Department of Laboratory Medicine, University-Hospital, Padova
- 2000, Director of the Department of Laboratory Medicine, Azienda Ospedaliera and ULSS 16, Padova

Teaching

- 1982, Teaching at the Course on Clinical Enzymology, Istituto Superiore di Sanità, Roma
- 1989, Teacher at the Scuola Scienze Biomediche, Santa Margherita Ligure
- 1989, Teacher at the Course “Secrezione peptica gastrica”, Scuola Scienze Biomediche
- Professor at the Medical School of the University of Padova:
 - a) Postgraduate Course in Clinical Biology – University of Padova - years: from 1985-86 to 2000-2003
 - b) Postgraduate Course in Clinical Biochemistry - years: from 1988-89 to 2000-2003
 - c) Postgraduate Course in Gastroenterology - years: from 1988-89 to 2000-2003
 - d) Postgraduate Course in Clinical Pathology - years: from 1988-89 to 2000-2003
 - e) Degree in Medical Laboratory Technology - years from 1995 to 2003

Publications

- 670 original papers (189 as first Author, mainly in the Clinical Enzymology field)
- 567 abstracts (poster communications, 250 as first author)
- 53 book chapters
- 10 books
- 80 Lectures at National and International Meetings

Scientific Organizing Activities

Scientific Secretary of:

- 10°, 12°, 13° International Symposium on Clinical Enzymology (1982, 1986, 1988)
- Meeting on “Monitoraggio biochimico dell’unità fetoplacentare” - Vicenza, 1984
- Seminar on “Problemi analitici dei metodi immunoenzimatici” - Padova, 1985
- Meeting on “Il dosaggio delle IgE in età neonatale e pediatrica” - Padova, 1986
- International Symposium on “Laboratory medicine in thyroid diagnostics” - Padova, 1987
- Course on “Teoria e Pratica in Immunoenzimatica” - Padova, giugno-ottobre 1987
- Meeting on “Monitoraggio terapeutico della ciclosporina” - Padova, 1988
- III National Congress on Società Italiana di Fisiopatologia della Riproduzione - Padova, 1988
- III Advanced Course on “Il laboratorio in andrologia” - Padova, 1990
- Meeting on “La medicina di laboratorio nella valutazione della tollerabilità dei farmaci” – Praglia, 1990
- Meeting on “La medicina di laboratorio nella valutazione della tollerabilità dei farmaci” - Praglia, 1990
- Satellite Meeting-9th International Congress of Clinical Enzymology “Biochemical and clinical aspects of gastric secretion” - Padova, 1990
- Meeting on “Il monitoraggio terapeutico dei farmaci nella pratica di laboratorio” - Padova, 1992
- International Conference of Laboratory Medicine “Biochemical Markers of Atherosclerosis and Myocardial Damage” Castelfranco Veneto, 1995

Scientific Society Memberships

- International Society of Enzymology (ISE)
- American Association of Clinical Chemistry
- Association of Clinical Biochemists
- The New York Academy of Sciences
- Società Italiana di Medicina di Laboratorio
- Società Italiana di Enzimologia
- Società Italiana di Biochimica Clinica
- Royal College of Pathologists

Official Positions

- Italian representative in the Accreditation Working Group EC4, Italian delegate in the European co-operation for Accreditation (EA) Subcommittee for Medical Laboratories
- Member of the Editorial Board of the scientific journals *Clinica Chimica Acta*, *Clinical Biochemistry*, *Clinical Chemistry and Laboratory Medicine*, *Journal of Biological Markers*
- Associate Editor of *CRC Critical Reviews in Clinical Laboratory Sciences*
- Chairman of the Scientific Division of the Società Italiana di Biochimica Clinica e Biologia Molecolare Clinica (SIBioC)
- President of the Società Italiana di Biochimica Clinica e Biologia Molecolare Clinica (SIBioC)
- Referee of the scientific journals: *Clinical Chemistry*, *Clinica Chimica Acta*, *Clinical and Experimental Medicine*, *Journal of Biological Markers*, *Aging*
- President of the International Society of Enzymology (ISE)
