IBM SPSS Statistics for Mac Renewal Installation

1. Use the search function on your Mac (top right hand corner) and type in “SPSS” or “SPSS Statistics License Authorization Wizard”. Launch the SPSS Statistics License Authorization Wizard.

2. The license status window will appear. Click Next.
3. Select **Authorized user license** then click **Next**.

Select one of the following:

- **Authorized user license** (I purchased a single copy of the product).
  - You will be asked to enter the authorization code or license code that you received from IBM Corp.
  - *Example code*

- **Concurrent user license** (My organization purchased the product and my administrator gave me a computer name or IP address.)

  Lock Code for this machine is: 19-317ED

4. An internet connection is required before clicking next. Enter you 20 digit authorization code in the box and click **Next**.

Please enter the authorization code(s) here to license your product. If you have already contacted IBM Corp. via email or phone, please enter the license code(s) sent back to you by IBM Corp.

*Example codes*

Enter Code:  
Enter additional codes

The authorization code(s) will be sent to IBM Corp. over the Internet.  
*Connect to the Internet through a proxy server*
5. An authorized succeeded screen will now appear. Click **Next**. If not, please check your internet connection and 20 digit code and go back to step 1.

![Screen with internet status and message]

6. The licensing completed screen will display the expiry date of the license. There is a 30 day grace period after this date.

![Screen displaying licensing completed]

Your license is effective the next time you start your product.
