

IBM SPSS Statistics for Windows Renewal Instructions

1. On the Start Menu, search for SPSS

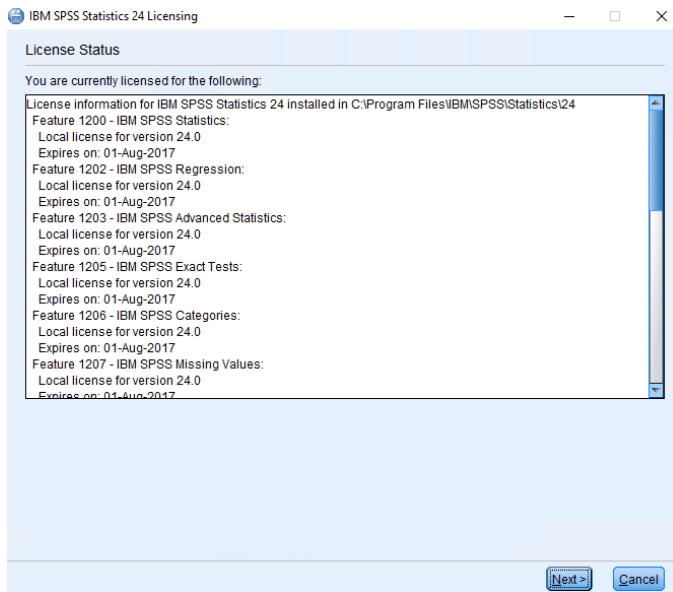

2. Right click on **IBM SPSS Statistics [version] License Authorization Wizard** and select **Run as Administrator**.

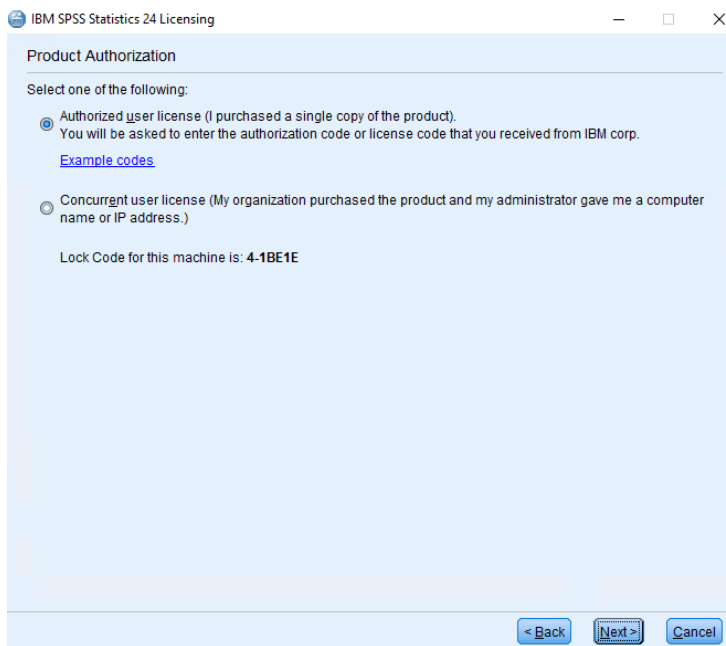

3. A warning message will appear asking if you would like to allow this app to make changes to your device. Click **Yes**.

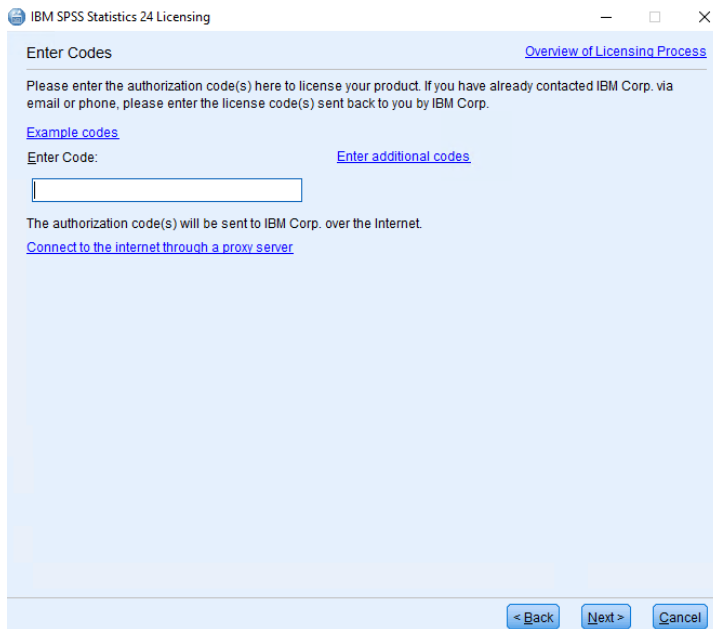

4. The Product Authorization wizard will now launch. Click **Next**.

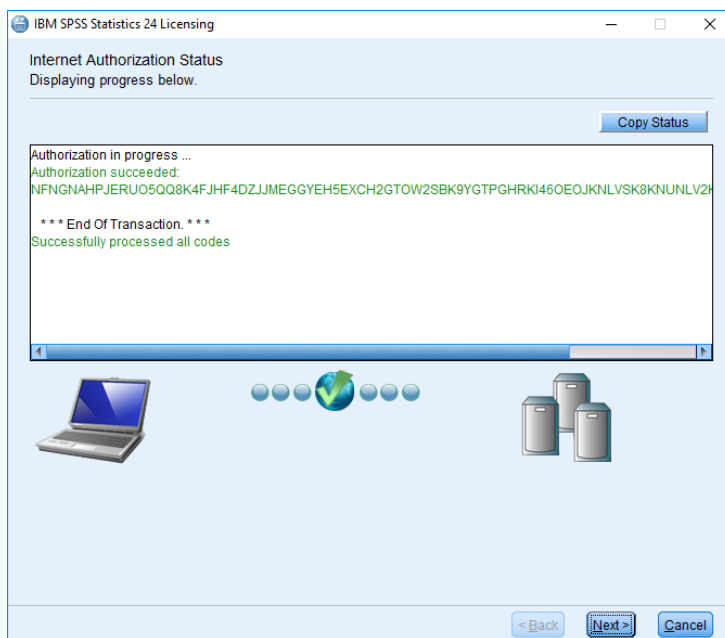

5. On the Product Authorization windows select **Authorized user license** and click **Next**.

6. Enter the **Authorization code** provided and click **Next**.

7. The status Window should now contain green text and state "**Successfully processed all codes**". If not, click back and ensure that you have an internet connection and typed the authorization code correctly. Click **Next**.

- This screen displays when the product expires and the various modules that have been licensed. Click **Finish**.
