# The University of Toronto

A world-renowned university in a celebrated city where knowledge meets achievement, history meets future and ambition meets inspiration. Leading academics from around the world have rated the University of Toronto number one in Canada and 16th in the world according to the 2013 Times Higher Education World Reputation Rankings. According to the Times Higher Education World University Rankings 2012-13, the University of Toronto is one of ten universities world-wide ranked in the top 27 for all fields. The other nine are Cambridge, Columbia, Cornell, Oxford, Stanford, UC Berkeley, UCLA, the University of Melbourne and the University of Michigan.

# Boundless Opportunities

When you choose the University of Toronto, your opportunities become Boundless. Whether you're considering what to study or how to get involved in student life, an unparalleled array of choices awaits you.

Over a long and proud history, we've pushed the limits of knowledge and innovation. What began in 1827 as a small college has evolved into a globally recognized research and teaching powerhouse, consistently ranking among the world's top universities. The University of Toronto has educated hundreds of thousands of outstanding individuals who have made Boundless impacts in every aspect of life.

**U of T is located in the heart of the Greater Toronto Area, known for its extraordinary variety of things to see and do and its multicultural diversity.**

**The city continues to draw the best and the brightest, who come seeking world-class business, culture and education in one of the safest places in North America.**

**Whether it's inside or outside the classroom, U of T offers you a dynamic student life with more than**

**a thousand organizations and Boundless choices to explore - athletic teams, arts and culture, academic associations, and community involvement.**

We've also created a very special experience for students embarking on their studies. Our First-Year Foundations: The *One* Programs for arts, science and business students offer dynamic, for-credit learning experiences in small-group environments that build community and foster critical skills and creativity. First-year seminar courses, with no more than 24 students each, allow you to get deeply engaged with your studies and your peers. Learning communities bring together students who have similar groups of courses with a peer mentor. And there are many support services dedicated to your academic success.

Possibilities at U of T are also Boundless when it comes to research opportunities, professional experience, Co-op and international learning.

**It's no surprise Newsweek Magazine named us one of the top three universities in the world outside the United States.**

Each of our three campuses offers a unique set of experiences and programs. Whether you go to U of T Scarborough, U of T Mississauga or the downtown St. George campus, get ready to change your future and the world. You'll be a student at a university with global prestige - a great place to learn how to ask challenging questions, to think fearlessly, and to go beyond the boundaries of conventional thought. In a world with more complexities and fewer borders, we need Boundless thinkers to lead the next generation. Your University of Toronto degree will give you the skills you need to thrive.

**Give us your enthusiasm, your dedication and four years of your time, and we'll give you the foundation you need to make your mark on the world.**

**Be BOUNDLESS.**

**BOUNDLESS OPPORTUNITIES**

## INTRODUCTION

# Think outside the classroom

Play ultimate frisbee, join the debate team, learn Urdu, get involved with Engineers Without Borders or organize a blood drive as part of the Red Cross Youth Group.

*Amy Goertz, South Asian Studies and Peace & Conflict Studies student; spends her time exploring nationalism and conflict in post-colonial South Asian states; domestically, volunteers at the Centre for Women & Trans People.*

*Nirvan Hulangamuwa, Mathematics specializing in Actuarial Science; moved to Toronto from Sri Lanka with a 5<sup>th</sup> Kyu in Karate and badminton and cricket swings to be reckoned with; watch for him at Blues try-outs.*

At U of T, exceptional students become extraordinary people by seeking to develop their minds, bodies and spirits. Choose from more than 1,000 student organizations, athletic teams and academic associations – or create your own.

**BRING US YOUR INTERESTS. WE'LL MAKE THEM YOUR PASSIONS.**

*Kristen Faccio, Engineering Science student specializing in Aerospace; catch her at Hart House belly dancing or acting in Skule™ Nite; she volunteers as a math and science tutor in her (not so) spare time between grad school applications.*

*King's College Circle ca. 1850s: the iconic space that serves as the rite of passage for all U of T graduates; surrounded by University College, Convocation Hall, Knox College, the Medical Sciences Building and Gerstein Library.*

## UNIVERSITY LIFE

# Boundless opportunities for learning inside and outside the classroom

Follow your passions, make new friends, learn a new skill. It's all part of the world of opportunity you'll encounter at U of T.

The more energy you invest in your U of T experience, the greater the rewards you'll reap. That's why we give you thousands of things to be passionate about.

### STUDENT CLUBS

U of T's student clubs reflect the pluralism of our community and the full spectrum of passions shared among our students, covering such diverse interests as Argentinean Tango and badminton (plus more than 450 other groups). To give you a glimpse of the range: Students for World Literacy, Arts, Culture and Media Student Association, Game Design and Development Club, Global Investment in Viable Entrepreneurship, Fo'Real Hip Hop Dance Crew, LGBTQOUT and the Culinary Arts Club.

### CAMPUS MINDS

U of T's size and reputation also enable the University to bring hundreds of prominent speakers to campus. Over the years, Martin Luther King, Jr., Noam Chomsky, Jane Goodall, the Dalai Lama, Michael Ignatieff and Stephen Lewis, to name just a few, have captivated students.

### FESTIVITIES

Just like its home cities, the University of Toronto knows how to celebrate. Annual

*The Country Wife*, Erindale Studio Theatre

traditions include: Envirofest, which celebrates and encourages environmental activism at U of T through a 'teach-in' and relevant film screenings; Celebration of the Arts, a dynamic, interactive festival of creative work across all three campuses; and Winterfest, also a tri-campus week of parties, films, concerts and more to ward off the January blahs. Other favourites include Engineering's annual comedy show, Skule™ Nite, University College's annual Follies, U of T Scarborough's annual Cultural Mosaic, U of T Mississauga Pub Nights, and Victoria College's The Bob, a rowdy, often raunchy, satirical revue. First staged in 1874, The Bob is Canada's longest-running sketch comedy show.

### LEADERSHIP DEVELOPMENT AT U OF T

A leader is not necessarily the person who holds a formal leadership position: it is someone who engages in a process of working collaboratively with others towards a common purpose.

The University of Toronto has a long tradition of graduating civic and organizational leaders. Across all faculties, colleges and campuses, we offer numerous opportunities for students to develop and hone the knowledge and skills necessary to catalyze contributions of significance, including the Personal Leadership Workshop Series, Group Leadership Workshop Series, Organizational Development Workshops and Civic

UTSC Recreation Centre

Engagement. These formalized programs provide students with skills they can put into practice immediately through one of the thousands of opportunities offered by U of T's governance and student groups.

The University of Toronto is committed to providing a safe space free of verbal and physical violence for all its members.

## THREE CAMPUSES

# 1 university, 3 singular experiences

The University of Toronto is committed to providing learning opportunities that match the diverse needs of students. Each of our three campuses offers different learning environments, experiences and recreational opportunities for its students.

### U OF T MISSISSAUGA

U of T Mississauga is a student-centred research community highly respected for its academic programs and research contributions. Located in a park-like expanse in Canada's 6<sup>th</sup> largest city, U of T Mississauga is approximately 27 km from Toronto city centre and directly accessible by U of T shuttle bus and public transit.

U of T Mississauga's unique educational programs include: Canada's premier forensic science degree program; a Department of Language Studies that delivers courses in ten languages; two business degree options (BCom, BBA); Teacher Education; and joint programs with Sheridan College in Art and Art History; Theatre and Drama; Communication, Culture, Information and Technology. It is also home to one of the academies of U of T's Faculty of Medicine.

The University has strong ties with the City of Mississauga as well as its residents, which leads to learning opportunities throughout the city, from government to business to arts.

### U OF T ST. GEORGE

The historic U of T St. George campus is the most urban in the U of T triad. The juxtaposition of Gothic architecture and sleek ultra-modernism is a metaphor for the range of offerings within its bounds. Since 1827, a tradition of academic excellence and achievement has driven the University's aspiration to continue graduating leaders who can and will make significant contributions to the world.

U of T St. George's location in the heart of downtown Toronto provides a rich cultural context for a myriad of learning options. Five first entry undergraduate faculties: Arts & Science (including seven colleges); Engineering; Music; Kinesiology & Physical Education; and Architecture, Landscape, and Design as well as the professional faculties call U of T St. George their home. Students across each discipline have a role to play, both inside and outside the classroom.

### U OF T SCARBOROUGH

UTSC students get a head start on their futures through U of T's only co-operative learning programs as well as internships, community engagement, leadership development and hands-on research with professors who are uncovering the keys to a healthy planet, a healthy population and a flourishing global society. Within UTSC's close-knit community, students can create one-of-a-kind learning experiences.

Our Bachelor of Business Administration is one of Canada's most competitive undergraduate management programs and we offer the only International Business program at U of T. You'll find traditional programs in the arts and sciences along with specialized programs such as Global Asia Studies, Mental Health Studies, City Studies, International Development Studies, and Biodiversity, Ecology & Evolution.

UTSC's dynamic and growing campus is surrounded by parklands and at the heart of a multicultural neighbourhood. It is a showcase for new buildings by award-winning architects including the Toronto Pan Am Aquatics and Sports Centre – a world-class fitness and training centre that will open in 2014.

## THREE CAMPUSES

# Toronto/GTA: A place of neighbourhoods

The City of Toronto's official motto is "Diversity Our Strength," which speaks both to the essence of the Greater Toronto Area and to its residents.

Toronto is the best of all worlds. The city has, at its very core, exceptional diversity: nearly half of Toronto's 2.8 million residents were born outside Canada. Our city's living mosaic continues to draw the best and the brightest, who come here seeking world-class business, culture and education in one of the safest cities in North America.

They find it, too, in the Fortune 500 company headquarters along Bay Street and various neighbourhoods of Mississauga; in the research centres throughout the city; in the museums and galleries, literary, music and film festivals that take place throughout the year; and in the numerous educational institutions, of which U of T is a leader.

### CELEBRATIONS

The city knows how to throw a party. Annual traditions include: the Toronto International Film Festival, which brings 240 hours of movies and parties to the city every September; Nuit Blanche, an all-night outdoors art exploration; Caribana Carnival, the largest North American festival of Caribbean music, dance and artisanship; North by Northeast (NXNE) Music Festival, a showcase of more than 1,000 indie bands over three nights; Toronto Downtown Jazz Festival, which infuses Yorkville with cool jazz on warm nights; and one of the largest Pride Week celebrations in North America.

### TRANSIT

Each campus is well connected and accessible to the GTA by public transit. Toronto's transit system (TTC) is fast, clean and reliable. Subways, buses, streetcars and light rail provide frequent and comprehensive access across the region. U of T also offers direct shuttle bus service between U of T Mississauga and U of T St. George. U of T Mississauga students receive a Mississauga Transit travel pass valid from September through April. If you prefer self-propelled transportation, you'll love this city of cyclists, with its bike lanes and ubiquitous ring-on-a-stick 'parking' spots.

**-8°C / 27°C**      **10,000**

Range of Toronto's average annual temperatures.

Theatrical performances in Toronto's 90 theatres annually, making the city the third-largest English language theatre destination in the world, after New York and London.

**THE ANNEX**

**INTERNATIONAL VILLAGES**

**MISSISSAUGA**

**NEIGHBOURHOODS**

Toronto's many eclectic neighbourhoods each boast a distinct personality, ripe for urban exploration. Some noteworthy neighbourhoods include: The Annex, a century-old neighbourhood beside the St. George campus that is known for its maple-

lined, one-way streets and grand Victorian homes; international villages, Toronto's cultural hotspots that feature Chinatown, Little Portugal, Little Italy and more; Queen Street West, a hip street where vintage clothing shops and vendors selling handmade jewelry coexist with stores offering the freshest from local indie

designers; Yonge Street, the world's second-longest continuous road that unites Toronto's financial, shopping and theatre districts; Mississauga, Canada's sixth largest city mixes urban, suburban and natural living; and Scarborough, one of the most multicultural urban areas of Canada and home to 14 km of earthen cliff.

**QUEEN STREET**

**YONGE STREET**

**SCARBOROUGH**

## THREE CAMPUSES

# Residences: A place to call home

In residence, students have a home base where they can eat, study and play as a team, creating a tight-knit environment.

## MODERN

### HOUSING

Residence is guaranteed for all new full-time students entering their first year of university in an undergraduate program for the first time, provided that they have indicated their interest in residence by completing the University's common residence application by March 31, and have received and accepted an offer of admission by June 1. U of T student housing offerings are as varied as the people who live in them. We have the same philosophy for housing and community as we do for learning: different people have different needs. All three campuses have accessible housing options and typically include a combination of traditional dorms, shared apartment-style, private apartment-style and shared housing.

## HISTORIC

### U of T MISSISSAUGA HOUSING

U of T Mississauga has rooms for 1,500 students and offers the most diverse range of options. Traditional-style rooms and town homes provide everything you need to call us home – including a single bedroom! New international students are offered a conditional four-year housing guarantee.

### U of T SCARBOROUGH HOUSING

The 765 students in residence at U of T Scarborough can participate in RezDirection, a community based learning program focused on academic life, campus life and life skills development. Townhouse and apartment style residences are fully furnished and feature single bedrooms. Students benefit from a required meal plan and support from Residence Advisors and full time staff from various learning services and student services.

## OFF CAMPUS

### U OF T ST. GEORGE HOUSING

Students living on campus reside within a college or in the Chestnut Residence, which is an inclusive community of students with its own vibrant atmosphere, intramural teams, events and activities.

### OFF-CAMPUS HOUSING

The U of T Housing Office at each of our three campuses can help you search through listings of available apartments and houses, either online or in their office.

**For more information about residences, please refer to [www.uoft.me/housingservices](http://www.uoft.me/housingservices).**

## EXPERIENCE FOOD

**Noodles, fish balls, halal and vegetarian choices – food culture around U of T's three campuses abounds with options.**

Grab a bite amidst the smart modernism of Sammy's Student Exchange or immerse yourself in a classic university tradition at Burwash Hall, with its long wooden tables and stunning leaded windows. Regardless of your choice, the food and the places are worthy of appreciation. No worries about "mystery meat" here; instead, you'll find fresh salads overflowing with colourful veggies, DIY smoothies and chicken prepared in six different traditions from around the world.

## ACADEMICS

# Unique learning opportunities

“U of T encourages students to...look at the world as a practical laboratory to apply new ideas and explore different avenues.”~ *Jasmeet Sidhu, journalist, activist, recent alumna*

U of T offers exceptional range, choice and depth of study. Undergraduate students at U of T can choose from more than 700 academic programs, and they can learn from the best minds and most dedicated teachers in each of these fields of study. Over 90 percent of our most accomplished

researchers teach undergraduate classes, which means you'll be learning from the very best in their fields.

As a U of T student, you'll want to take advantage of the University's smaller learning environments. Much like the

Toronto region, the University is a community of communities. Working with faculty and other students in close-knit learning groups, students can tailor their experiences to their interests and develop passions that will help them make their mark on the world.

## RESEARCH OPPORTUNITIES PROGRAM

Ready to start making your mark? Beginning in second year, the Research Opportunity Program (ROP) gives you the opportunity to conduct research outside of the classroom, working in meaningful projects with some of the University's most renowned professors – for course credit!

## CAREER LEARNING

### Co-op:

Fast-track your career with one of the 49 Co-op programs available only at U of T Scarborough. Alternate study terms with terms of full-time paid employment. Whether you're an International Business student looking at international finance in a foreign context or a biologist exploring genomics at a teaching hospital, a tailored unique experience can be found through the Co-op programs.

## Professional Experience Year (PEY):

Students at U of T Mississauga, in Engineering or selected programs in other divisions, can participate in paid internships. Spend 12 to 16 months working alongside leaders in your field – anywhere in the world – or choose a four-month Engineering Summer Internship program (eSIP).

## GLOBAL LEARNING

Our students are in classrooms all over the world. The Centre for International Experience partners with more than 130 institutions in over 35 countries, and the Summer Abroad program offers more than 30 courses in 16 countries. U of T Scarborough Co-op students may participate in international work terms, field courses and more.

## SERVICE LEARNING

UTSC offers you the opportunity to combine classroom learning in a credit-bearing course with real-life experiences in the surrounding community to impact critical social issues. Examples include a French student improving her language ability by working with an immigration settlement agency or a Human Biology student sharing his passion for science with young people.

# Your future is now

As one of the world's top educational institutions, the University of Toronto is a dynamic destination for unsurpassed excellence. Give us your enthusiasm, your dedication and four years of your time, and we'll give you everything you need to make your mark on the world.

**A MUTUAL INVESTMENT.**

## ACADEMICS

# First year foundations

The *One* programs

If you're a first-year arts, science or business student, you can choose to take advantage of U of T's First Year Foundations: The *One* Programs learning opportunities. Through interactive group work, travel or community engagement, these programs will help you transition successfully to university life, as well

as build critical thinking and writing skills, intellectual independence and creative imagination.

The *One* Programs are run through Innis College, New College, St. Michael's College, Trinity College, University College, Victoria College, Woodsworth College, the

Munk School of Global Affairs, U of T Scarborough and U of T Mississauga. These dynamic small-group offerings allow you to network with peers, mentors and professors, and explore a broad range of compelling issues. Take some time to read more about U of T's first-year learning options to determine which is right for you.

## VIC ONE

Vic One – the first *One* program launched in 2003 – gives students a strong foundation in their field of academic interest along with exposure to research experience, stimulating guest speakers, and a supportive infrastructure. Intellectual curiosity is encouraged as students pursue studies in one of six Vic One streams in the humanities, social sciences, education, physical and mathematical sciences, arts and society, and the life sciences. Each stream examines course material from a multi-disciplinary perspective, in a discussion-based small class environment.

**Number of credits: 2 credits + 1 (stream-based) co-requisite = 3 credits**  
[www.uoft.me/vic-one](http://www.uoft.me/vic-one)

## TRINITY ONE

The Margaret MacMillan Trinity One program explores world affairs, human life, and democratic governance through its International Relations, Ethics, and Public Policy streams. Enrichment events include speakers from the U of T School of Public Policy & Governance, the Munk School of Global Affairs, and the Centre for Ethics.

**Number of credits: 2 credits + 1 co-requisite credit = 3 credits**  
[www.uoft.me/trinityone](http://www.uoft.me/trinityone)

## INNIS ONE: The Creative City

Innis One encourages you to develop your creative and critical capacities by exploring the dynamism of urban environments. You'll reach beyond the classroom to gain a greater appreciation of how film, writing and urban landscapes interplay.

**Number of credits: 1 credit**  
[www.uoft.me/innisone](http://www.uoft.me/innisone)

## NEW ONE: Learning Without Borders

New One: Learning without Borders explores our connections as global citizens today, offering interdisciplinary courses on food, digital technology, language, and art in community-building. Taking up social justice themes, the program provides opportunities for developing academic skills, engaging with inspiring community and student leaders, and pursuing creative ways of learning.

**Number of credits: 1 credit**  
[www.uoft.me/newone](http://www.uoft.me/newone)

## SMC ONE: Cornerstone

SMC One: Cornerstone lets you integrate your interest in community engagement and social justice into your academic studies. By implementing justice-based projects in the local Toronto community and creatively and critically reflecting on your experience with classmates in small seminar groups, you'll work to narrow the gap between practical and theoretical approaches to social justice.

**Number of credits: 1 credit**  
[www.uoft.me/smc-one](http://www.uoft.me/smc-one)

## UC ONE: Engaging Toronto

University College's UC One is an exciting set of small-enrolment interdisciplinary courses. Choose from one of four courses that engage different aspects of Toronto: the city's citizenry; the health of its urban fabric; its performing arts scene; and the culture and politics of its sexual diversity.

**Number of credits: 1 credit**  
[www.uoft.me/uc-one](http://www.uoft.me/uc-one)

## WOODSWORTH ONE

Woodsworth One offers a unique first-year experience built around the unifying theme "Order and Disorder." You'll take two half-credit seminars that are designed to complement a combination of introductory courses in Sociology, Political Science, Philosophy, or History. In addition, you'll participate in a wide range of exciting co-curricular activities, including guest lectures, student leadership events, and field trips.

**Number of credits: 1 credit**  
[www.uoft.me/woodsworth-one](http://www.uoft.me/woodsworth-one)

## MUNK ONE: Global Innovation

Think big. Work in teams to solve real world problems. Innovate. Munk One provides students with a focus on innovation and global problem-solving. Join a cohort of students engaging the role of innovation in areas such as cyber security, human rights, health, development, and sustainability.

**Number of credits: 2 credits**  
[www.uoft.me/munkone](http://www.uoft.me/munkone)

### utmONE: Global Horizon

utmONE offers a suite of first-year transitional options, both for-credit and not-for-credit, that provide students the tools to enhance their academic skills, connect with UTM resources, and build productive and supportive academic networks.

**utmONE Scholars' Seminars and Courses offer 0.5 credits.**

**utmONE Connect is not-for-credit.**  
[www.uoft.me/utmississaugaone](http://www.uoft.me/utmississaugaone)

### UTSC ONE: iExplore

UTSC One: iExplore: A unique combination of small first-year seminars, fieldwork and international travel which provide hands on learning experiences. Students might conduct geological fieldwork, design and implement public opinion surveys or even map their own genome sequences!

**0.5 credit for each course**  
<http://uoft.me/iexplore>

Through interactive group work, travel or community engagement, U of T's *One* learning opportunities will help you transition successfully to university life, as well as build critical thinking and writing skills, intellectual independence and creative imagination.

## ACADEMICS

# First entry programs: More choices, more opportunities

Studying at U of T is about choice. When you enter in your first year, you have access to more academic programs at U of T than at any other Canadian university. ## COLLEGES

# Distinctive traditions at U of T St. George

As a member of the Faculty of Arts & Science on the U of T St. George campus, you become a member of a unique academic and social university community.

The colleges of the U of T St. George campus provide students with the benefits of belonging to the nation's top research university and simultaneously to an intimate college community where they socialize, dine, receive a number of services and may live in residence. Colleges have been a fundamental part of U of T life since the mid-nineteenth century. University of Toronto has seven colleges offering a wide variety of environments and experiences best suited to the individual interests of its students. Every student within the Faculty of Arts & Science is a member of a college, selected during the application. While the colleges

vary by size, alumni, interdisciplinary course offerings, facilities and distinctive legacies, they are unified

by their commitment to serving their students and enhancing their university experience.

Victoria College's venerable Burwash Hall is where residents dine every day and attend College events.

### MATHEMATICS PREREQUISITE

Other prerequisites may be required. Refer to the appropriate program chart.

### MINIMUM ADMISSION REQUIREMENTS

Possession of the minimum requirements does not guarantee admission.

#### BRITISH-PATTERNED EDUCATION

##### Arts, Science, Commerce/Management, Concurrent Teacher Education, Kinesiology & Physical Education, and Music

At least five different academic GCSE/IGCSE/Ordinary Level subjects and four different academic subjects at Advanced Subsidiary Level OR three different academic subjects at the Advanced Level (excluding General Paper). All examinations must be conducted by an examination authority located in the UK or an equivalent authority elsewhere (e.g. CXC, WAEC, etc.). Prerequisites should be presented at Advanced or Advanced Subsidiary Level. Some programs may consider excellent Ordinary Level results for fulfilling a prerequisite. English GCSE/IGCSE/O Level/AS Level/A Level is required for all programs. Applied Advanced Level subjects are not recommended.

Math AS Level/A Level

Excellent GCSE/IGCSE/O Level and AS Level (predicted or final)/A Level (predicted or final) grades

##### Engineering

Three advanced level subjects including Mathematics, Physics and Chemistry. Chemistry can be completed at the AS level, but an additional A level course must be presented. English O Level/AS Level/A Level is required for all programs. Refer to [www.discover.engineering.utoronto.ca](http://www.discover.engineering.utoronto.ca) for complete information.

Math A Level  
Mathematics and Pure Mathematics (CAPE Unit I and II)

Excellent (normally A) GCSE/IGCSE/O Level and A Level (predicted or final) grades  
Excellent CXC/GCSE/O Levels and predicted or final CAPE Unit I and II grades

#### CAMBRIDGE PRE-UNIVERSITY

The Cambridge International Pre-U Diploma or Certificate, including 3 Principal Subjects (or a combination of Advanced Level Subjects and Principal Subjects covering different subjects). English GCSE/IGCSE/O Level/A Level/Principal Subject is required for all programs. Refer to [www.discover.engineering.utoronto.ca](http://www.discover.engineering.utoronto.ca) for complete information about admission requirements for Engineering.

Math A Level/Principal Subjects

Excellent GCSE/IGCSE/O Level and Principal Subjects (predicted or final) grades

#### CARIBBEAN ADVANCED PROFICIENCY EXAMINATION (CAPE)

The complete diploma (six units). English CXC/IGCSE/O Level/CAPE is required. Refer to [www.discover.engineering.utoronto.ca](http://www.discover.engineering.utoronto.ca) for complete information about admission requirements for Engineering.

Mathematics/Pure Mathematics (CAPE Unit I or II)

Excellent CXC/GCSE/O Levels and predicted or final CAPE Unit I and II grades

**MATHEMATICS PREREQUISITE**

Minimum overall score of 85, with no part score below 80.

**GCE A/AS/AICE Level English**  
or English Language with minimum grade of 'C.'

## FINANCES AND WORKING

# Plan for your education

The cost of a university education is a combination of both tuition fees and living expenses. Considering your financial options today can help you prepare your budget before you ever set foot on campus.

## SCHOLARSHIPS AND FINANCIAL AID

The University of Toronto provides a range of admission scholarships. All applicants are considered automatically for admission scholarships based on their academic performance. Scholarship offers are sent at the same time as our offers of admission. Canadian citizens and

permanent residents living outside Canada are eligible for the University of Toronto financial aid guarantee that assures support for students with financial need.

U.S. citizens can apply for financial assistance from the U.S. William D. Ford Federal Direct Loan Program. The University of Toronto is a recognized post-secondary institution for Federal Direct Loans (PLUS/Subsidized/

Unsubsidized). Education Savings Plans and US Federal Education Tax credits are also applicable. Complete details can be found at

[www.uoft.me/admissionreq](http://www.uoft.me/admissionreq).

To obtain a study permit, international students must demonstrate to Citizenship and Immigration Canada that they have sufficient resources to cover tuition and expenses for at least one year of university.

### WORKING AFTER GRADUATION

As a graduating international student from a Canadian university, you may be allowed

### WORK AS PART OF YOUR ACADEMIC PROGRAM

Paid work placements are a feature of Co-op programs at U of T Scarborough and the Professional Experience Year (PEY) at the Faculty of Applied Science & Engineering, U of T Mississauga and the Faculty of Arts & Science. Work terms are accessed after the first year of study. Full details are available at [www.uoft.me/uoftscarborough](http://www.uoft.me/uoftscarborough) and [www.uoft.me/workplacement](http://www.uoft.me/workplacement).

it an excellent opportunity to gain practical Canadian work experience, but it will also allow you to expand your social experiences. Part-time work opportunities on campus are available to international students at any time during your studies. You may obtain permission to work part time off campus following six months of study. You may also stay in the Greater Toronto Area and work full time during holidays and between academic terms. Full details are available through the International Student Centre at [www.uoft.me/cie](http://www.uoft.me/cie).

to stay and work in Canada, full time, for up to three years. Details are available at [www.uoft.me/cie](http://www.uoft.me/cie).

### FINDING WORK

The Career Centres on our three campuses encourage you to use their extensive resources at any time during your university experience. Here, you'll find support in preparing for job interviews, researching career paths, finding part-time jobs or a full-time career. For details, visit [www.uoft.me/careers](http://www.uoft.me/careers).

## NEED TO KNOW

# Application requirements and English language programs

U of T invites applications from well-qualified students from around the world. Last year we welcomed students from 163 different countries.

## HOW TO APPLY

You can apply to the University of Toronto through the Ontario Universities' Application Centre [www.ouac.on.ca](http://www.ouac.on.ca).

The minimum requirements for admission consideration vary by program. For more information about admission requirements, application procedures and deadlines, visit our website at [www.uoft.me/admissionreq](http://www.uoft.me/admissionreq).

### INTERNATIONAL STUDENT CENTRES

Adapting to a new cultural environment and a new education system may present some unexpected challenges. The Centre for International Experience is ready to help you with a wide range of services and programs. Visit [www.uoft.me/cie](http://www.uoft.me/cie).

### STUDENT PERMIT /VISA

If you are not a citizen or permanent resident of Canada, you should apply for a study permit and entry visa (depending on citizenship) as soon as you receive your admission letter. You can obtain applications for these documents from a Canadian embassy or consulate before departing. Visit [www.uoft.me/cie](http://www.uoft.me/cie) for more information.

### GUARDIANSHIP

If you are an international student under the age of 18, you may be asked by Immigration Canada to find a Canadian citizen to act as a guardian. Your family is responsible for satisfying this requirement.

### ENGLISH LANGUAGE PROGRAMS

Academically qualified students who do not meet our English language requirements may be interested in one of our English language programs. These programs, if completed successfully, will allow students to meet the English language facility requirement. They are run on each campus and range in length from six weeks to eight months.

These programs include:
