Quizzes	10%	9 weekly quizzes (starting week 3) – count best 8 out of 9
Midterm Examination	25%	October 20 <sup>th</sup>
Assignments	20%	TBA
Final Examination	35%	During Final Examination period

## **COURSE FORMAT AND EXPECTATIONS**

### **Quizzes (10%)**

Quizzes are online assignments that you will need to complete through the course site (Blackboard). **Quizzes will be posted on Thursdays at 6pm, and due the following Thursday at 1pm (2 hours before regular class time).** Therefore, you will have ample time to prepare and complete the quiz. Quizzes must be completed individually and may consist of different types of questions (e.g. multiple choice, short-answer, essay, etc.). There will be 9 quizzes to complete over the term, as well as one optional practice quiz (in week 2). Your lowest score will be dropped.

**Late submissions will not be accepted and failure to successfully compete and submit a quiz before the deadline will result in a mark of zero.** Given that you have more than 6 days to complete and submit each quiz, missed submissions will be considered only in extreme situations (and mark will be allocated to other quizzes).

### **Course Participation & Contribution (10%)**

Class participation is important to your understanding of the material. Discussion is an essential part of learning, and it is also the most interesting way to conduct a class. In addition, class participation will enhance your presentation and communication skills, which will help you in recruiting and in your career.

The participation grade will be determined by the **quantity and quality** of your participation. You will not be penalized for wrong answers to the questions raised in class. To facilitate the participation grading, **you are required to put your name in front of you in every class.** If you feel that your name is not called when you raise your hand, please let your instructor know. Remember, attendance does not “buy” participation marks. If you attend and do not participate, your participation mark will be very low.

Additional information will be discussed in the first week of class and posted on the course website.

### **Midterm Examination (25%)**

Midterm examination is tentatively scheduled for **Thursday, October 20<sup>th</sup> from 3-5pm** (starting at 3:10 and lasting 110 minutes). Additional information will be posted on the course website. Midterm examination will test the material from classes 1 to 5.

### **Assignments (20%)**

Details for the assignments will be posted on the course website. Late assignments will not be accepted and will receive a mark of zero.

### **Final Examination (30%)**

The date and time of the final examination will be announced by the Faculty of Arts and Science, and will be posted on the course website when it becomes available. The final examination will be 3 hours long (180 minutes) and may include any of the topics covered throughout the course. Additional information will be posted on the course website.

### **Use of Turnitin.com:**

Normally students will be required to submit their course essays to Turnitin.com for a review of textual similarity and detection of possible plagiarism. In doing so, students will allow their essays to be included as source documents in the Turnitin.com reference database, where they will be used solely for the purpose of detecting plagiarism. The terms that apply to the university's use of the Turnitin.com service are described on the Turnitin.com website.

### **For Written Assignments:**

Please note that clear, concise, and correct writing will be considered in the evaluation of Assignments. That is, you may lose points for writing that impedes communication: poor organization, weak paragraph development, excessive wordiness, hard-to-follow sentence structure, spelling mistakes and grammatical errors. Students who require additional support and/or tutoring with respect to their writing skills are encouraged to visit the Academic Success Centre ([www.asc.utoronto.ca](http://www.asc.utoronto.ca)) or one of the College Writing Centres ([www.writing.utoronto.ca/writing-centres](http://www.writing.utoronto.ca/writing-centres)). These centres are teaching facilities – not editing services, where trained staff can assist students in developing their academic writing skills. There is no charge for the instruction and support.

## **POLICY AND PROCEDURE**

### **Missed Tests and Assignments (including midterm examinations)**

Students who miss a test or assignment for reasons entirely beyond their control (e.g. illness) may submit a request for special consideration. Provided that notification and documentation are provided in a timely manner, and that the request is subsequently approved, no academic penalty will be applied.

In such cases, students must notify Rotman Commerce on the date of the missed test (or due date in the case of course work) and submit supporting documentation (e.g. Verification of Student Illness or Injury form) to the Rotman Commerce Program Office within **48 hours** of the originally scheduled test or due date. Students who do not provide Rotman Commerce or the instructor with appropriate or sufficient supporting documentation will be given a grade of 0 (zero) for the missed test or course deliverable.

**Note that the physician's report must establish that the patient was examined and diagnosed at the time of illness, not after the fact. Rotman Commerce will not accept a statement that merely confirms a report of illness made by the student and documented by the physician.**

**Missed midterm or assignment(s)** will be re-weighted to the final exam. Missed quizzes will be re-weighted to the remaining quizzes (if less than 2 quizzes are missed) or to the final exam (if more than 2 quizzes are missed).

### **Late Assignments**

Late assignment(s) will not be accepted and will receive a mark of zero. Students who, for reasons beyond their control, are unable to submit an assignment by its deadline must obtain approval from the instructor for an extension. Supporting documentation will be required as per the policy on missed tests and assignments.

### **Accessibility Needs**

The University of Toronto is committed to accessibility. If you require accommodations for a disability, or have any accessibility concerns about the course, the classroom or course materials, please contact Accessibility Services as soon as possible: [accessibility.services@utoronto.ca](mailto:accessibility.services@utoronto.ca) or <http://www.accessibility.utoronto.ca/>.

### **Academic Integrity**

Academic Integrity is a fundamental value essential to the pursuit of learning and scholarships at the University of Toronto. Participating honestly, respectfully, responsibly, and fairly in this academic community ensures that the UofT degree that you earn will continue to be valued and respected as a true signifier of a student's individual work and academic achievement. As a result, the University treats cases of academic misconduct very seriously.

*The University of Toronto's Code of Behaviour on Academic Matters*

<http://www.governingcouncil.utoronto.ca/policies/behaveac.htm> outlines the behaviours that constitute academic misconduct, the process for addressing academic offences, and the penalties that may be imposed. You are expected to be familiar with the contents of this document. Potential offences include, but are not limited to:

In papers and assignments:

- Using someone else's ideas or words without appropriate acknowledgement.
- Submitting your own work in more than one course without the permission of the instructor.
- Making up sources or facts.
- Obtaining or providing unauthorized assistance on any assignment (this includes collaborating with others on assignments that are supposed to be completed individually).

On test and exams:

- Using or possessing any unauthorized aid, including a cell phone.
- Looking at someone else's answers
- Misrepresenting your identity.
- Submitting an altered test for re-grading.

Misrepresentation:

- Falsifying institutional documents or grades.
- Falsifying or altering any documentation required by the University, including (but not limited to), medical notes.

All suspected cases of academic dishonesty will be investigated by the following procedures outlined in the *Code of Behaviour on Academic Matters*. If you have any question about what is or is not permitted in the course, please do not hesitate to contact the course instructor. If you have any questions about appropriate research and citation methods, you are expected to seek out additional information from the instructor or other UofT resources such as College Writing Centres or the Academic Success Centre.

### **Email**

At times, the course instructor may decide to communicate important course information by email. As such, all UofT students are required to have a valid UTmail+ email address. You are responsible for ensuring that your UTmail+ email address is set up AND properly entered on the ROSI system. For more information please visit <http://help.ic.utoronto.ca/category/3/utmail.html>

Forwarding your utoronto.ca email to a Hotmail, Gmail, Yahoo or other type of email account is not advisable. In some cases, messages from utoronto.ca addresses sent to Hotmail, Gmail or Yahoo accounts are filtered as junk mail, which means that important messages from your course instructor may end up in your spam or junk mail folder.

### **Blackboard and the Course Page**

The online course page for this course is accessed through Blackboard. To access the course page, go to the UofT Portal login at <https://portal.utoronto.ca/> and log in using your UTORid and password. Once you have logged in, look for the My Courses module where you'll find the link to all your course websites. If you don't see the course listed here but you are properly registered for the course in ROSI, wait 48 hours. If the course does not appear, go to the Information Commons Help Desk in Robarts Library, 1st floor, for help, or explore the Portal Information and Help at <http://www.portalinfo.utoronto.ca/content/information-students> and review the Frequently Asked Questions.

## Recording Lectures

Lectures and course materials prepared by the instructor are considered by the University to be an instructor's intellectual property covered by the Canadian Copyright Act. Students wishing to record a lecture or other course material in any way are required to ask the instructor's explicit permission, and may not do so unless permission is granted (note: students who have been previously granted permission to record lectures as an accommodation for a disability are, of course, excepted). This includes tape recording, filming, photographing PowerPoint slides, Blackboard materials, etc.

If permission is granted by the instructor (or via Accessibility Services), it is intended for the individual student's own study purposes and does not include permission to "publish" them in anyway. It is absolutely forbidden for a student to publish an instructor's notes to a website or sell them in any other form without formal permission.
