Total recruited in July: 58 Overall Total: 1508

Next month let's improve on the upward turn in recruitment. Remember, we ought to be close to 100 per month at this point. We're counting on your help to bring us back on target. Each woman who agrees to join the study brings us closer to our final goal of 2800.

2 Year Follow-up

We have just been given 'official approval' from the Medical Research Council of Canada to undertake the 2 year follow-up of mothers and babies enrolled in the Term Breech Trial. This is very good news for us. Our goal is to have information at 2 years on at least 80% of those recruited, but more would be even better. If your centre is participating in this component of the study, please use all of your detective abilities to locate your Term Breech Trial moms and babies.

Mugs this month:

(for centres reaching or passing their annual goal)

LC Lagomaggiore, Mendoza, ARGENTINA (#4); IOMC Polizu, Bucharest, ROMANIA (#4); Maternidad "Martin", Rosario, ARGENTINA (#2); Ludwig Maximilians, Munich, GERMANY (#2); Harare Maternity, Harare, ZIMBABWE.

Centres recruiting their first patient:

Sunderland Royal, Sunderland, UK; Eva Peron, Rosario, ARGENTINA.

TBT Meetings:

Arranged:

In Jerusalem, at Hadassah Ein Karem Medical Center, August 4, 1999 a meeting will be held for collaborators in Israel. Mary Hannah and Michael Helewa will attend from the Steering Committee.

In Birmingham, at Birmingham Maternity Hospital, November 3, 1999 a meeting will be held for collaborators in the UK. Mary and Walter Hannah will attend.

Being planned:

In conjunction with the FIGO meeting September 3-8, 2000 for collaborators attending FIGO. Details will be provided over the next few months.

Clinician Codes

Our ongoing review of the completed data booklets has made it clear that Question #9 in the *Labour & Delivery Form*, which asks about the people attending the delivery, needs more explanation. We have included the following annotated example to provide some help. Please take a minute to read it and ensure that your forms are being filled out appropriately.

In summary: <u>only code numbers</u> for people named on your Clinician List go in the top two boxes; only information for people <u>not on your Clinician List</u> goes in the bottom section.

Only use the sections headed Clinician #1 and Clinician #2 to record information about someone attending the delivery who is **NOT** named on the Clinician List.

Interim II - Planning for the second interim analysis:

Remember that this is coming up and that all forms must reach us by November. Please send us your data booklets as soon as they are due.
