Thank you to Australia and New Zealand....

Thank you to all those that passed by to see the EECV2 poster and to pay a visit to Hala Phipps (co-ordinator from Royal Prince Alfred, *Sydney*, Australia) at the PSANZ meeting in Perth. Following the presentation, we have had inquiries from new centres and hope that they may soon join us to participate in the study!

Recruitment Recognition - March Quarterly Draw!

Your recruitment efforts are imperative to the success of the EECV2 Trial. As promised we are continuing our quarterly draw for a small token of recognition, in order to recognise your work in recruiting for the trial. Every time your centre recruits a woman into the EECV2 Trial, your centre is entered into the draw.

For this quarter we would like to congratulate Dr Jorge Carrillo at Padre Hurtado Hospital, *Santiago, CHILE!* Our next winner will be selected in the June quarterly draw!

Quote of the Month

"Flaming enthusiasm, backed up by horse sense and persistence, is the quality that most frequently makes for success."
