## READY to RECRUIT...

We are pleased to announce that we now have three active centres, ready to recruit! Congratulations to Dr Greg Davis and Ms Lynne Roberts at St George Hospital in Australia, Dr Mario Palermo at Posadas Hospital in Argentina and Dr Maire-France Delisle at Children's & Women's Health Centre of BC for moving the study ahead!

## Identifying Breech Babies

We would like to hear from your centre regarding your strategies to identify women with babies in breech presentation as they approach 33 weeks gestation. Sharing your strategies will help all centres recruit more effectively.

## FAREWELL

We are sad to announce that Reena Gill had to leave the EECV2 trial for health reasons. We thank her for her tremendous work on the trial and wish her well.
