Keep up the
great work!
Only 453
more
recruits to
go!

We've passed 1000!!!

On June 26 Dr Frans Smits and Dr Florian ten Cate from Academisch Ziekenhuis, *Maastricht*, THE NETHERLANDS recruited the 1000th woman into the EECV2 Trial! Congratulations! Thank you to all of our recruiting centres who have contributed to reaching this important milestone! Great work! We will recognize every 100th patient with a recruitment certificate now that we're so close to our recruitment goal – so the race is on to get to 1100, 1200, 1300, 1400 and finally 1460!

Welcome to EECV2!

This month five more centres have joined us! We now have 68 collaborating centres! A very warm welcome goes out to:

Recruitment Recognition – June Quarterly Draw!

Your recruitment efforts are imperative to the success of the EECV2 Trial. As you know, in order to recognise your work in recruiting for the trial we planned a quarterly draw for a small token of recognition. Every time your centre recruits a woman into the EECV2 Trial, your centre is entered into the draw. The more your centre recruits the greater your chance of getting the quarterly prize!

For this quarter we would like to congratulate Dr Raul Abalos Gorostiaga and Dr Miguel Curioni at Ramon Carrillo, Santiago del Estero, ARGENTINA! Watch out for our next winner in the September newsletter!
