Recruitment Recognition – March Quarterly Draw!

Your recruitment efforts are imperative to the success of the EECV2 Trial. As you know, in order to recognise your work in recruiting for the trial we planned a quarterly draw for a small token of recognition. Every time your centre recruits a woman into the EECV2 Trial, your centre is entered into the draw. The more your centre recruits the greater your chance of getting the quarterly prize!

For this quarter we would like to congratulate Dr Nestor N Demianczuk & Ms Elizabeth Penttinen at Royal Alexandra, Edmonton, CANADA! Watch out for our next winner in the June newsletter!

Just a note....

Please send us an e-mail or a fax, when you send notices of ethics approval, signed Clinical Study Agreements or any other important documentation. This way we can be on the look-out for it, and track it right away if it doesn't arrive promptly.
