Comings and Goings at MIRU

We would like to take this opportunity to announce that Sheila Hewson, our MIRU Research Manager, is retiring! Sheila has been a remarkable mentor for many new coordinators over the years at MIRU and will be missed. We wish Sheila all the best in her new endeavours and thank her for her commitment and leadership throughout her time here at MIRU.

We are also excited to announce that with Sheila's retirement, Laura Tomat will be taking on the role of Research Manager at MIRU. Many of you will already know Laura from her time spent as a Senior Research Coordinator on the MACS Study. We very much look forward to Laura's energy and leadership being directed into her new role as Research Manager.

Welcome

We would like to welcome Cheryl Wise in her role as research coordinator to the EECV2 Team! Cheryl will be working closely with Eileen at McMaster University on EECV2-related projects.

Quote of the Month

Success is the sum of small efforts, repeated day in and day out.
