Seasons Greetings from all of us at EECV2!

Best wishes to all of our collaborators around the world for a happy and healthy holiday season! We know many of you will be taking time off to spend with families and friends around the various celebrations in December but we hope you remember to recruit for the EECV2 Trial while you are in the hospital or clinic so we can reach 700 before the end of the year! Together we can do it!

Welcome to EECV2!

This month two more centres have joined us! We now have 62 collaborating centres! A very warm welcome goes out to:

- Dr David Seubert and Ms Mary Christine Jared, New York University School of Medicine, New York, USA
- Dr Gazala Khan and Mrs Natalia Quadros, Khoula Hospital, Muscat, OMAN

Quote of the Month

 we did not think of them as impossible.*
