### **Recent Meeting....**

We were happy to see many of our collaborators at the Twin Birth Study Meeting on October 18-20, 2006 in Toronto, Canada. Our Principal Investigator Eileen Hutton was able to present the EECV2 Trial at the meeting and interest a few more centres in the trial. We also enjoyed hearing all the excellent presentations at the meeting both on recruitment success and other ongoing trials. We look forward to the next chance to meet in person with all of you!

## **Recruitment Excellence!**

This month we are recognizing centres with their first recruit - Congratulat

- Dr Cristian Kottmann, Hospital Parroquial San Bernardo, San Bernardo, CHILE
- Dr José Luis Castaldi and Dr Marta Susana Bertin, Hospital Penna, Bahia Blanca, ARGENTINA
