OVERALL TOTAL: 1197

TOTAL FOR THIS MONTH: 49

The countdown is on!

We have now reached more than 80% of our recruitment goal and we are counting down to the 1460th woman! There are only 263 more women to enrol in the trial. Although we had planned on needing 80 centres to complete the EECV2 Trial and we currently only have 71 centres, recruitment has been going very well and we are

confident we can complete the trial sometime between March and June 2008 as long as everyone continues their hard work. Congratulations on the incredible effort so far. Let's keep the enthusiasm high and sprint to the finish!

Welcome to EECV2!

This month one more centre has joined us! We now have 71 collaborating centres! A very warm welcome goes out to:

- Prof GB Theron and AM Theron, Stellenbosch University, Tygerberg, SOUTH AFRICA

Quote of the Month
