Welcome to EECV2!

This month two more centres have joined us! We now have 58 collaborating centres! A very warm welcome goes out to:

- Dr Lone Hvidman, Aarhus University, *Aarhus*, DENMARK
- Dr Mauro Parra and Ms Susana Quezada, Hospital Clinico Universidad de Chile J.J. Aguirre, *Santiago*, CHILE

We are pleased to have these two new centres join the EECV2 team!

INTERIM ANALYSIS

The Interim Analysis is now approaching quickly! As of October 15th, 2006 any data booklets that have not been received will be considered overdue! Please complete and return all data booklets to us as soon as possible. If we do not receive the outstanding data booklets, we will be contacting you!

Recruitment Recognition - September Quarterly Draw!

The success of the EECV2 Trial depends on your recruitment efforts. In order to recognise your work in recruiting for the trial, we are continuing our quarterly draw for a small token of recognition. Every time your centre recruits a woman into the EECV2 Trial, your centre is entered into the draw.

For this quarter we would like to congratulate Mr Derek Tuffnell & Ms Diane Farrar from the Bradford Royal Infirmary, *Bradford*, UK! Our next winner will be selected in the December quarterly draw!

Quote of the Month

To accomplish great things, we must not only act, but also dream; not only plan, but also believe.

Moving.....

We would like to announce that Eileen Hutton will be making a move to McMaster University as of January 1, 2007 where she has taken a position as Assistant Dean, Midwifery Education, and Associate Professor in the Department of Obstetrics and Gynaecology, Faculty of Health Sciences. Although she will continue as Principal Investigator of the EECV2 Trial, her move has brought changes to the coordination of the trial.

Change to EECV2 Trial Coordination:

Starting in October full coordination of the EECV2 Trial will move to MIRU, and Sarah Edwards will take on both the clinical coordination and data management components of the study.

We are grateful to Ariadna Fernandez for her hard work in the clinical coordination of the study over the past 2 years. Ariadna is moving on to another position at UBC. Please join us in wishing her a fond farewell and best of luck in her future endeavors. We will miss you, Ariadna!

Levina Kasmara, who ably assisted Ariadna for a year and a half, is also moving on. Thank you, Levina, for your support.

Just a note....

Please send all notices of ethics approval, signed Clinical Study Agreements or any other important documentation to Sarah Edwards at:

EECV2 Coordinating Centre, MIRU
790 Bay St, 7th Floor, Suite 732
Toronto, ON CANADA M5G 1N8

It would be great if you could send Sarah an e-mail (eecv2@sw.ca) or a fax (1-416-351-3771) when you mail important documents so that she can watch out for them.
