190 Follow-ups completed!

Let's keep up the great work team!

Each day more and more data forms are arriving at the MACS-5 DCC.

We are excited to see the number of completed assessments continue to rise.

Awesome job everyone!

Please note we are updating the follow-up table and look forward to including it in the next newsletter.

MACS-5 in South America

The MACS-5 team would like to thank all the South American sites that attended the MACS & MACS- 5 meeting on April 11, 2008, in Buenos Aires, Argentina. Your meaningful contributions made the meeting a wonderful success.

Obrigado!

Good Bye and Hello!

We would like to announce the retirement of Sheila Hewson, our Research Manager, here at MIRU. The MACS-5 team would like to extend our sincere gratitude to Sheila for her dedication and commitment to clinical trials over the years. We wish her the best in her retirement.

We would also like to announce that Laura Tomat will be stepping into the position as MIRU's Research Manager. We look forward to working with Laura as she assumes this new role.
