Our first MACS-5 newsletter!!

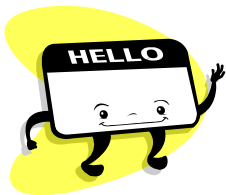

MACS-5 FOLLOW-UP STARTS IN 2006

We are excited that MACS-5 was funded and we look forward to the first MACS child due for 5 year follow-up in May 2006.

THE MACS-5 TEAM

Edna Kavuma has joined the MACS-5 team as the study coordinator; she will be working closely with Dr. Elizabeth Asztalos, the MACS-5 Principal Investigator. You will be hearing from Edna and Dr. Asztalos regarding the MACS-5 follow-up trial.

Please note the direct telephone number for MACS-5 is: (1) 416-351-3818.

COMING SOON

To prepare for MACS-5, we will be sending sites a package including:

- MACS-5 Protocol & Consent forms
- Clinical Study Agreement (CSA)
- Ethics Approval for MACS-5 at Sunnybrook & Women's Hospital
- Contact Information Sheet for the MACS-5 Follow-up person

We look forward to hearing from you once you receive these items.
