DATA QUERIES

There is a new look to the queries we send you. Instead of receiving them in the mail, you will be receiving them as a PDF file by email. We hope you find this more convenient!

18-24 MONTH FOLLOW-UP

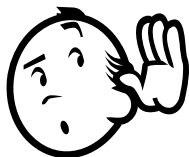

In the next few weeks, you will be receiving some labels in the mail. There will be 3 labels for each child whose follow-up we have not yet received. Here is what the labels will look like:

Study #: 99-99-999
Test Date:
EDC: 2006/05/22
Corrected Age:

Please forward the labels to the person performing the Bayley-II assessments. These should be stuck on the BSID-II cover sheets before the child is tested. Please enter the test date and then calculate the age based on the EDC provided on the label before assessing the child.

3 MONTH POST-PARTUM QUESTIONNAIRES

Thanks to everyone for your updates on the remaining 3MPQs. If we have not heard from you, we look forward to hearing from you soon!

FAREWELL!

Please join us in wishing our research assistant, Marlene, a fond farewell and best of luck in her future endeavors. Marlene is leaving our MACS team to pursue her Master's degree. We wish her all the best and want to thank her for all her work on MACS. We will all miss you!
