A Collaborators' Meeting is being organised in Toronto

April 26-28, 2002

Mark your calendars and plan to join us!
Details will be sent within the next couple of months.

Data Forms

It's exciting for us to begin receiving some completed data forms on the first few patients enrolled.

A couple of notes:

Please ensure that the study number and Mother's date of birth are filled in on each page you send to us. These are the crucial identifiers that we use to link all the information.

Also, remember to attach the treatment number stickers to the Entry Form and Treatment Form.

Welcome
