Recruit, Recruit, Recruit!

OVERALL TOTAL: 74 TOTAL THIS MONTH: 20

Welcome and Congratulations!

Welcome Dr Ian McCahon at Royal Women's in Carlton, Australia - Congratulations on obtaining local ethics approval and we look forward to your first recruit!

And, congratulations to Dr Florencio France at Posadas in Buenos Aires, Argentina for meeting his annual recruitment goal – well done!

Planned Site Visits and Meetings:

Israel:

Dr Jon Barrett will be in Israel in August doing some site visits and hosting a meeting with our Israeli collaborators at Meir Hospital in Kfar Saba. Thank you to Dr Shmuel Goldberger for his help in the organization of the meeting.

UK:

Now that national ethics approval (MREC) has been obtained in the UK, we are planning a UK collaborators' meeting to be held on October 29, 2004 in Nottingham. We look forward to seeing many of our UK colleagues and particularly want to thank Dr Jim Thornton for his help with the arrangements.

Remember to encourage Pelvic Floor Exercises

"Pelvic floor muscle training during pregnancy and during the first few months postpartum has been shown to reduce the prevalence of postpartum incontinence. All women will therefore be encouraged to undertake pelvic floor muscle exercises and to continue them after delivery". TBS Protocol section 2.3.6
