Collaborators' Meeting

The final plans are underway for our International Collaborators' Meeting on October 18 – 20, 2006 in Toronto. We are very excited to welcome all of the attending collaborators. Please contact us if you have any changes to your hotel accommodations or meal preferences.

Data Notes

Please remember to translate any comments from the 3 Month Postpartum Questionnaire, 2 Year Maternal Follow-up Questionnaire, or Ages & Stages Questionnaire® into English before returning the questionnaires to the Data Coordinating Centre.

Follow-up Tip

Remember that one of the most important ways to ensure that the follow-up forms will be completed is to maintain regular contact with the mothers recruited from your centre.

Our Collaborators' Meeting is in a few weeks! Try to speak to any potential recruits about the study before joining us in Toronto!
We look forward to welcoming you!
